

IMAGINE. CREATE. COLLABORATE. IMPLEMENT

Immediate Opening!

LANDSCAPE DESIGNER / ESTIMATOR / OFFICE ASSISTANT

Rare opportunity to join LAND ESCAPES INC. as our lead Landscape Designer & Estimator! We are a well established, 28-year old landscaping company in Lincoln, NE, and pride ourselves on creating unique, outside-of-the-box landscape designs. We have a well-established and continually growing customer base, with the best client retention for ongoing lifelong services in the area. If you are a creative, independent, and motivated individual, looking for a career in landscape design, this position is for you! Bring your talent, creativity, and energy, and join us as a key part of our team as we grow to a new level.

Position Overview:

- Full-time, year-round position (hours may fluctuate seasonally)
- Guaranteed base salary (TBD based on incoming experience)
- Unlimited income potential with added commissions and bonuses
- Small company with an incredible culture and family-like atmosphere
- Paid Time Off (increasing amount annually)
- Additional optional benefits including: Supplemental Insurance (vision, dental, life, major medical, etc.), Retirement Plan with company match, etc.
- Company paid continuing education via numerous industry events, training opportunities and tradeshow (many include CEC's)
- And more!

Requirements:

- 2 Years landscape design experience (professional or college study)
- Experienced with landscape design programs such as Pro Landscape, AutoCAD, photoshop, Sketchup, etc.
- Experienced with Microsoft Office (Word, Excel, Publisher, PowerPoint, etc.)
- Experience with Quickbooks (preferred)
- Excellent customer service skills
- Able to collaborate with project manager and crew members to aid in implementation of Landscape designs
- Knowledge of ornamental plants including growth habits and maintenance requirements for this region
- Knowledge of a wide variety of landscape materials including mulch, natural stone, edging, retaining walls, pavers, etc.
- Experienced with creating accurate estimates combining labor, plant, and material costs
- Able to visit jobsites to oversee and aid in site layout, bed marking, accurate installation, oversee installation crews, adjust plant placement as needed, etc.
- Detail-oriented
- Ability to multi-task, while remaining focused and meeting deadlines
- Independent, motivated, self-starter
- Equally able to work independently, and with a team
- Punctual and dependable
- General clerical experience including typing, data entry, filing, and organizational skills
