

12400 E Holdrege St., Lincoln, NE 68527 - (402) 489-8315 Office/fax

CAREER OPPORTUNITY

SEEDS OF LIFE, INC. is looking for qualified people to take us into the next level of growth. Your job will focus primarily on landscape **installation, property maintenance and grading/seeding.**

RESPONSIBILITIES

- Assist in the installation of landscape designs including but not limited to:
 1. Plantscaping installation of designs
 2. Hardscaping installation of retaining walls, flagstone, & other stonework, including pond construction and installation in designs
 3. Nightscaping installation of outdoor lighting in designs
- Assist in the care of nursery stock
- Native grass/wildflower seeding of acreage homesites

QUALIFICATIONS

- Preferably a Horticulture or Ag. Related field of study, we will accept applicants of all experience levels and work backgrounds and train if the applicant has an excellent work ethic.
- Must submit a resume, with 3 references
- Must have a good driving record and transportation
- Ability to work well with both clients and fellow crew members
- Ability to do heavy labor and operate pickup with trailer

WAGES

Based on an individual's qualifications and experience \$15-25 per hour. Full time with medical, paid vacation, and paid holidays.

COMPANY

SEEDS OF LIFE, INC. has been in operation in Lincoln, Nebraska since 1997. We have a nursery site located at 12400 East Holdrege. We are a company specializing in residential and acreage landscaping and seeding, pasture seeding, and prairie habitat restoration. We use a wide range of seed including native grasses, wildflowers, buffalo grasses, turf grasses, and habitat mixes. Our landscaping aspect incorporates the latest techniques and equipment to provide efficient service to our customers. We provide service to a wide range of customers from small residential sites to large acreages.
