

Do you want to work hard for one of the best teams in Omaha? Do you want to advance within a quickly growing company? Do you want to work for awesome flexible owners who have your best interest in mind? How about a company who ranked in the Top 3 "Best of Omaha - Lawn/Landscape Companies" in Omaha?

Then, WE WANT YOU!

Earn \$14.00 starting pay. Earn more based upon experience and ability to contribute a strong work ethic while contributing to a team. This is in the landscape industry, but we hire star performers not backgrounds. Young or old, if you are a go-getter we will know. Must be a beast when it comes to working outside with your hands. We want you to contribute to your team and be a team player no matter the circumstance. You must be able to maintain and build new landscapes every week to customer satisfaction. Maintenance includes trimming bushes, pulling weeds, mulching, etc. New landscapes includes planting, installing patios, installing retaining walls, and installing water features, etc. The ability to learn and adapt quickly is a must. Highly motivated and accountability are key attributes. Must be able to understand different tasks while being able to troubleshoot different problems that may occur.

Come help yourself by helping our quickly growing company excel with a high quality output. We have an outstanding reputation in the local community and need a star who can contribute and retain key accounts.

You will be in charge of maintaining your crew's equipment everyday which includes truck maintenance, trailer maintenance, landscape equipment maintenance, and equipment cleanliness. You will need to bond with your crew every day to achieve daily task. You must work with your crew effectively and efficiently **EVERYDAY!** Excuses will **NOT** be tolerated. High energy and a positive attitude **WILL** be tolerated. You will complete landscape jobs in a timely manner with high quality output. You will think of ways to contribute creative ideas to enhance the company's performance. This company grows based upon quality service and installation but more importantly with our assets and key assets are employees, especially those who contribute meaningful value.
