

Grow your career with an award-winning company where people come first.

Sun Valley Landscaping, the 2015 Greater Omaha Small Business of the Year, is expanding and looking for a strong leader to operate and manage the irrigation division for one of the best employers in Omaha. We are an established company, celebrating 23 years of doing business the right way. We are goal-oriented, people-focused, and we reward our top performers with great pay and opportunities to advance. Our employees love coming to work at a place that truly cares about them with a positive and uplifting work environment that holds people accountable & feels like family.

Specific job duties:

The Irrigation Service Technician is a highly detailed and experienced, industry professional who is proficient in all aspects of irrigation systems. The candidate must be thoroughly familiar with wiring controllers and valves, pressure testing, trenching/pulling pipe, installing heads, rotors, valves, main and lateral lines, drip line, bubblers, etc. Candidate will require minimal supervision and conduct all jobs in a safe manner and complete all paperwork and administrative requirements related to the position.

- Thoroughly understands all aspects of irrigation as outlined above.
- Schedule, route, and operate turn-on, turn-off, maintenance and repairs, for our irrigation clients.
- Ensures each job is kept on time and on budget, while providing exceptional service.
- Call clients and communicate the service schedule.
- Report directly to the GM, working closely with Operations Assistant and Field Supervisors.
- Complete necessary administrative tasks and log information into our mobile software program.
- Has the ability and flexibility to assist with other crews on an as-needed basis with mowing, fertilizer applications and enhancement work.
- Operate plow truck during the snow removal season.

Skills & Experience:

- Minimum of 4 years' experience in irrigation service and repairs.
- Pesticide applicator license required
- Ability to operate equipment and large truck operation.
- Knowledge in most residential irrigation systems required.
- CIT desired, but not required.
- Ability to read irrigation plans and drawings.
- Must possess a driver's license, clean criminal record and have ability to pass a drug test.
- Bilingual in English and Spanish a plus

Irrigation Service Technician
